AVG[®] AntiVirus Business Edition 2016

AVG® AntiVirus Business Edition 2016 is working smarter for you

It keeps your critical business and customer data safe from the latest threats and viruses and keeps your employees safe online.

AVG® AntiVirus Business Edition 2016 ensures the following:

- ◆ Online protection from Malware
- ◆ Safe Surfing for Employees
- ◆ Data & Identity Security
- ◆ Always Updated
- ◆ Remote Management

Powerful new features that protect your business

Stop threats: AVG® Business AntiVirus keeps your business moving. With AVG’s award-winning security products, you’ll protect your business from the latest viruses and threats.

Minimize distractions: AVG® Business AntiVirus minimizes security distractions so you and your employees can focus on running your business.

Surf with Confidence: Surf, search and download with confidence. Smart prevention technology checks every web page and alerts you if it detects anything suspicious.

Maintain Integrity: Maintain your integrity as a reliable business partner by ensuring all your customer data is kept private and all online transactions are conducted safely.
